...the end product

...the lights just look fantastic

...we just love this carousel

Nigel Brookes of Brookes Kitchens & Bathrooms.

Nigel has kindly just finished our New Kitchen (October 2020). Last year Nigel and his team fitted our family Bathroom and then the en-suite in the master bedroom.

His work, attention to detail and professional approach is just second to none. Its great just using one person from the start of the job until completion.

Thank you very much. I have no hesitation whatsoever is with recommending Brookes kitchens and bathrooms to others.

 Thank you
