THE UK'S NUMBER ONE

Taps and Showers Brand

Established in 1977, Bristan is the UK's largest supplier of showers and taps. In fact, around one in four homes in the UK has a Bristan shower or tap fitted.

Wolseley and Bristan have teamed up to select a great core range of products, at fantastic prices.

This range offers you a wide mix of products that will cover all types of jobs from new installs to mini refurb, and with availability in branch to take away today or order and collect next day, we've got the solution for you.

BAR SHOWERS

To make life easier, most of Bristan's bar mixer showers are supplied with a wall mount kit

Wallmount 10 for retrofit projects

Wallmount 11 for new installations

Fitted with cool chrome technology meaning the shower is family safe.

Many of our kits also come with adjustable riser rails to fit over existing holes.

MINI VALVES

Our mini valves have the most adjustability of any UK shower valve - accommodating centres between 110 - 155mm

Valves are suitable
for all household
water systems

Useful
when retrofitting to
existing pipework

The two sets of elbows
are included in the box

Two elbow options
for wider reach

Everything you need to fit the mini valve is supplied in the box and they are fitted with flow regulators to help save water.
